Deafness Cannot be Cured

By local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional medicine. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube is inflamed you have a rumbling sound and imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free. **F. J. CHENEY & CO., Toledo, O.**
Sold by Druggists, 75c.

JONATHAN MYALL.

Mr. Jonathan Myall, 85 years old, died yesterday morning, after a six weeks' illness, at the home of his son-in-law, Mr. O. M. Johnson, at Millersburg.

He was born in London, England, December 12th, 1822, and came to this country when about 18 years old, with two brothers and one sister, locating at Mayslick.

A few years later he was married to Miss Peck of that place. After this they moved to Hutchison Station, Bourbon county, where about forty years of their lives were spent. About twenty years ago he moved to Paris, where he remained until after the death of his wife, which occurred about three years ago.

Since that time Mr. Myall had resided with his daughter, Mrs. O. M. Johnson of Millersburg.

He is survived by one son, Mr. E. H. Myall of Paris; two daughters, Mrs. Ollie Johnson of Muir Station, and Mrs. O. M. Johnson; one brother, Mr. Jonas Myall, and one sister, Miss Anna Myall, both of Mayslick.

The funeral will take place this afternoon at 1 o'clock, the burial following in the family lot in the Paris Cemetery.

MRS. CHARLES H. KEEP.

The remains of Mrs. Charles H. Keep, who died in Garden City, Kansas, will be shipped to this city today and will probably arrive here tomorrow.

She will be buried beside her husband, Captain Charles H. Keep, in the Maysville Cemetery.

The deceased was the mother of Mrs. Elma Pangburn, and is pleasantly remembered here by a wide circle of friends as a lovely Christian character.

Notice of funeral will be announced in tomorrow's paper.

FRANK HARDIN.

Mr. Frank Hardin died yesterday at 12 o'clock at his home above Aberdeen of heart disease, aged 74 years.

He is survived by a widow.

He was a soldier of the Civil War, and his burial will be under the auspices of the G. A. R.

Funeral Sunday afternoon at 2 o'clock. Interment in Charter Oak Cemetery.

A Municipal Brewery.
The Vienna municipal brewery, in which a sum of \$400,000 has been invested, last year showed a loss of \$18,000. In the previous sixteen months a loss of \$19,000 was incurred, so that the actual deficit for 1907 was proportionately greater, although the output and sales of beer had increased. In 1907 some 2,750,000 gallons of beer were brewed. Not only was too much money paid for the building and equipment in the first place, but the management has been very stupidly conducted. Instead of appointing as manager an expert brewer the council put a municipal official in charge. As a result money was lost in all sorts of ways.—London Standard.

Our Colored Citizens.

Mr. Thomas Green, chef at the Navarre Cafe, and Miss Ida May B. Overstreet, one of the belles of local colored society, were married Wednesday evening by his Honor, County Judge Newell, at his office.

WHAT THE KIDNEYS DO.

Their Unceasing Work Keeps Us Strong and Healthy.

All the blood in the body passes through the kidneys once every three minutes. The kidneys filter the blood. They work night and day. When healthy they remove about 500 grains of impure matter daily; when unhealthy some part of this impure matter is left in the blood. This brings on many diseases and symptoms—pain in the back, headache, nervousness, hot, dry skin, rheumatism, gout, gravel, disorders of the eyesight and hearing, dizziness, irregular heart, debility, drowsiness, dropsy, deposits in the urine, etc. But if you keep the filters right you will have no trouble with your kidneys.

Frederick Dressel, 1238 East Second street, Maysville, Ky., says:

"I consider Doan's Kidney Pills a most excellent kidney remedy, and I am only too glad of an opportunity to speak in their behalf. About five years ago I was bothered by kidney trouble. The kidney secretions were attended with much pain during passage and were very irregular in action. Severe pains across the small of my back were of frequent occurrence and at times greatly interfered with my work. A friend advised me to use Doan's Kidney Pills, as he had taken them for a similar trouble with the best of results, and I procured a box at J. J. Wood & Son's Drugstore. I used them strictly according to directions and they afforded me prompt and effective relief."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

"LIVES OF GREAT MEN ALL REMIND US"

The story of how Marshall Field amassed his great fortune may be told in a few words. He had something to sell and advertised it.

NO MAN

DELIBERATELY BUYS POOR CLOTHES.

He thinks their good, worth the money, or he doesn't want them. Just the same, lots of men are paying their good money for cheap cotton mixed goods and they think they are being real economical because they get such clothes for a little less than all wool would cost. This cotton-mixed stuff is very deceiving, even expert clothing men find it difficult at times to tell whether or not a fabric has cotton in it. As for the inexperienced wearer, we've seen fabrics that looked good enough to sell for \$20 for the suit that was at least 60 per cent. cotton and really worth about \$6 the suit. You get no such "flim-flam" when you trade with us. Thirty years selling good clothes enables us to separate the "sheep from the goats." When we say all wool we live up to it.
